TOWN REPORT

1990

DEDICATED TO TOWN CLERK ELLA T. GEDDES

Who among us can honestly say
That at least once on a given day
We did not call e're setting sun
Two five three four five six one.

And who picked up the phone each and every time?
No matter if it came from a pay-phone dime
Or somewhere from inside the State House walls;
Ella was there to take all our calls.

When in her office our Town Clerk we'd see,
Whether paying some township licensing fee
Or asking directions to the Sandwich Fair,
Ella would greet us, her smile always there.

If you were an old timer, or a fairly new comer,
Or here for the weekend or all of the summer,
She treated us all in the same pleasant way,
Time after time and day after day.

We'll miss you, dear Ella, but you've earned a rest.
The Town of Centre Harbor is losing the best!
But the service you gave us, and all of your work,
Proved Centre Harbor had the world's best Town Clerk!

We give you our thanks, and our love through and through.
You'll always be with us, and God be with you!

To see if the Town will vote to have the Kona Fountain Committee, make available for publication, no later than the deadline for the next Town Report a complete accounting of all funds received and expended by the Kona Fountain Committee. Such accounting to be "line item" by individual, company, and/or entity from the appointment of the committee to the end of calendar 1991, and for each succeeding year until the completion of the restoration. The accounts of the Kona Fountain Committee shall be audited each year in the same manner as all other agencies and departments of the Town. (The word anonymous may appear where the source of a donation has asked to not be identified.) (By petition)

Article 24. (By petition)

Article 29. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed, by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

AUDITORS' REPORT

We certify that we have examined the Town accounts for 1990 as required by the New Hampshire Department of Revenue Administration, Municipal Services Division. These accounts were correctly cast and properly vouched.

The audit was completed prior to publication of the 1990 Town Report and the audited figures are the same as those reported by the Town Treasurer, Tax Collector, Clerk, and Trustees of various trusts and funds except as noted below.

Exceptions:

1. Town Treasurer's cash balance is understated by \$344.06 due to void check not adjusted on Treasurer's books.
2. Town Clerk overpaid \$214.00 to Town Treasurer for motor vehicle registrations.

CENTRE HARBOR PLANNING BOARD

ANNUAL REPORT 1990

The subdivision docket was not nearly as busy for the Planning Board in 1990 as in the boom years of the mid-80s. This enabled the Planning Board to work on new projects.

A major concern for the Planning Board is ways to protect what is termed "wet or poorly drained soils." These soils are often right next to a lake or wetland and help act as a filter and buffer between solid ground and water. These soils are also the easiest for mankind to pollute by being built upon or through other human activities such as having lawn fertilizer sprinkled on them.

In the past the Planning Board has had to rely on old fashioned and inaccurate surveys to determine which soils on a lot were "wet" and which were "dry". But with the able assistance of the Lakes Region Planning Commission the Planning Board is adopting a new state-of-the-art method called High Intensity Soil Surveying or "HISS". A HISS survey can identify within inches which soils on a lot on wet or not suitable for building and which soils are dry and appropriate for development.

Now with great accuracy the Planning Board can funnel development onto the soils that can support it and leave unharmed soils in our ecologically sensitive areas. HISS mapping is also relatively inexpensive.

HISS mapping played a big part in several proposed subdivisions this year and with this new information the Planning Board was able to protect several areas where building would have been harmful.

The Planning Board also spent considerable time holding hearings on a proposed marina for the Winnepesaukee Flagship property on Centre Harbor Bay. Many citizens expressed concern that the marina was too intensive a use for the area. The proposal was withdrawn before the Planning Board voted on it.

One ordinance that went into the books this year now enables residents of downtown Centre Harbor to create accessory apartments in their homes to help bring in extra income.

After many years as our clerk Joan Taylor stepped down. We all wish her well in her new endeavors. Sheila Mohan has taken on the job.

Respectfully submitted for the Board,

DON LEAVITT
Co-Chairman

JAMES E. NICHOLS MEMORIAL LIBRARY
Annual Report of the Trustees

The Library Trustees have met regularly each month on the third Wednesday, and in some cases for special meetings.

On January 4th the treasurer's report was reviewed in advance of the Association meeting. At that meeting repairs needed on ceiling, walls and interior windows was discussed. At the regular meeting it was decided to accept Ira Weeks' bid on those repairs, plus painting and glass replacement for the exterior of the windows. The cost was voted in at Town Meeting.

The March IFYE program was enjoyed as it is each year. We hope to add other such programs in the future.

Each month the fireplace mantels have been beautifully decorated by the Centre Harbor Woman's Club. Outdoors the flower beds have been admired by all who pass by or enter as patrons. The Trustees have kept them weeded and trimmed.

The Trustees worked closely with President Richard W. Harlow of the Association to promote a shared goal of improving and promoting library services for all residents and patrons from adjoining towns. To this end we met with Judith Kimball, Administrator of Developmental Services, at the New Hampshire State Library. Possible future programs, revision of our library policies, and the "Right to Privacy" law were discussed.

After several work sessions the policy revision was completed and accepted by the Association pending review at the state level.

The Chairman thanks the Board for their time and effort, and Secretary Carolyn Harlow for her splendid typing job. The Treasurer Walter Kneeland has coped superbly with our finances.

Now that damage from earlier roof leaks has been repaired, we are enjoying a brighter more attractive working area for the trustees. A new glass top on the table is a welcome addition. The old carpet will be removed and the floor refinished as the custodian's time allows. It is hoped that the runners in the stack area can be replaced to eliminate a source of dust.

We regretted the resignation of Marion Frank in May. Due to the difficulty in finding comparable replacements, it was decided to reduce the size of the Board from seven to five members.

At the end of the year we look back on a busy year in which the Librarian, Trustees and Association shared common goals in managing the care and functions of our town library.

JAMES E. NICHOLS MEMORIAL LIBRARY

Report of the Librarian

During 1990, because it was a State Library Confidentiality Law, it was necessary to issue to each borrower a card to whom a number was assigned. Library patrons have to use this number instead of signing their name when they check out any library materials such as books, magazines, cassettes (foreign language, music, book reading) and videos.

I have also been borrowing videos from the State Library. I receive ten videos to keep for 28 days, and then they are returned to Concord. In the library is a 115-page catalogue from which to make selections with titles and subjects on music, health, how-to books, animals, birds, arts and crafts, dancing and many more interesting topics. Please come into the library and look at them.

There is always a table at the library with books for sale. Included are books for youth, adult, paperbacks, non-fiction and fiction at a very low price. Come in. You may find an old favorite. In December I sent about 14 paperbacks over to the Persian Gulf.

We did not have a story hour in 1990. Readers were available, but there were no children to read to. Please, if you have children that you could bring in for story reading just call me at 253-6950.

JAMES E. NICHOLS MEMORIAL LIBRARY ASSOCIATION

Annual Report

The annual meeting of the James E. Nichols Memorial Library Association was held on January 19, 1991.

A review of the year 1990 took place and included the results of the Questionnaire/Survey passed out to residents at Town Meeting. The survey was intended to promote and indicate interest in the library, but only five residents responded favorably.

A slide program given by Nancy Tullar, a 1989 International Farm Youth Exchange Representative to Portugal, was held at the library in February and was well received.

In May of 1990, Judith Kimball, Administrator of the Bureau of Developmental Services of the New Hampshire State Library, met with Library Trustees and Association members to offer various suggestions and ideas for promoting library services to the community.

A special meeting of the Association was held in the fall and plans formulated for a Christmas Storytelling Hour given by Roberta Burke of the Laconia Library staff. The program was fairly well attended and enjoyed by those present.

The librarian reported in her Annual Report that circulation is again on the decline. The Secretary's and Treasurer's Reports were also offered, as was the Annual Report from the Chairman of the Board of Trustees.

Officers elected for 1991 are as follows:

| | |
|----------------|----------------------------|
| President | Richard Harlow |
| Vice President | Nancy Kelley |
| Secretary | Bess Hanson |
| Treasurer | Walter Kneeland |
| Librarian | Gertrude Martin |
| Trustees | Bess Hanson thru 1991 |
| | Barbara Benoit thru 1992 |
| | Katherine Vachon thru 1993 |
| Auditors | Eugene Manville |
| | John Merrill |

The Nominating Committee will be selected at a later date.

As noted above, Kate Vachon was elected by the Association members to replace Walter Kneeland as a Library Trustee. Walter's past contributions are much appreciated and will be missed.

Future plans for the coming year, which include a fund raiser and another travel slide program, met with enthusiasm and the library continues to seek your support in these endeavors.

Respectfully submitted,

RICHARD HARLOW
President

CENTRE HARBOR VOLUNTEER FIRE DEPARTMENT

The past year was one of increased activity in the Center Harbor Fire Department. Members responded to 167 emergency incidents, of which 68 were local incidents in the Town of Centre Harbor, 79 fell in our automatic response areas of Moultonboro and or Meredith, and 20 were Mutual Aid calls either outside of the automatic response district of the two above mentioned towns or into other member towns of the Lakes Region Mutual Fire Aid Association.

Of the 167 incidents, 31 were of a building fire nature, this being anything from an actual fire in a building, to an activated alarm system with no fire. 28 calls were for non-building fires, that is, fires in brush, dumpsters, automobiles, etc., 81 calls for medical assistance, 18 motor vehicle accidents, and 9 chimney fires.

Manpower at emergency incidents accounted for 106 hours worked, for a total of 7720 man-hours devoted to the Volunteer Fire Service. In addition, 2444 man-hours were devoted to a rigorous training schedule, again all volunteer time.

A portion of the training consisted of one member being certified at the Career Level and four members being certified at the Level One(1). Five members were certified in Self Contained Breathing Apparatus in a weekend training course and two of the Fire Department members are enrolled in classes for certification as Emergency Medical Technicians in 1991, to augment the current four members already holding EMT certification. Two members are currently enrolled in Career Level classes in early 1991.

The average response time for calls for emergency assistance was five(5) minutes, and on the average, five(5)members responded to each call.

Residents of the Town of Centre Harbor are to be congratulated for practicing extreme fire prevention. The low number of fire related calls in our own town is evidence of that fact. Also, business owners in our town are to be congratulated for their fine effort to comply with all facets of Life Safety and Building Codes. Being aware that all of us are moving in the same direction makes life easier for all.

A reminder to all, please check the batteries in your household smoke detectors on a regular basis, and never, never remove the batteries due to accidental activations. The fact that the alarm sounds should be very reassuring. Perhaps, after numerous accidental activations, an alternative site for the detector can be found. Please feel free to contact any member of the Center Harbor Fire Department for assistance in either obtaining smoke detectors, or relocating them to a more advantageous location.

We would also like to thank all of the devoted residents, both year round and seasonal, for the support of our weekly summer BINGO games and that of our First Annual Spaghetti Supper. Both were huge successes in the past year and we are looking forward to seeing all of you in 1991.

Also, a big thank you to all the kind donations which you saw fit to bestow on us in the past year. All were very much appreciated and will go to very good use.

Yours in life safety,

Frank A. "Skip" Welsh, Chief, Ken Ballance and Jack Edwards, Deputy Chiefs, along with all the Officers and members of the Center Harbor Volunteer Fire Department.

REPORT OF THE CONSERVATION COMMISSION

1990

For four of the past five years Centre Harbor has provided a scholarship for one or two students between the ages of 13 and 16 who have completed grades between 8 and 10, to attend the New Hampshire Youth Conservation Camp. This educational experience is directed by professional staff from the Society for the Protection of New Hampshire Forests. In 1990 our sponsored student was Karen Foster who enjoyed the experience enough to have indicated she would like to attend again! The 1991 camp will be from June 16 through 21, again at Camp Interlocken in Windsor, N.H. For further information and application forms, contact our new Commissioner Mrs. Eloise Coudert at 279-8477.

Our Water Quality Testing project for Centre Harbor Bay of Lake Winnepesaukee continued in 1990 under the direction of Commissioner Duke Kline with the assistance of Commissioner Ingrid Smith. Cost of the analysis of sampling as performed by the UNH Fresh Water Biology Group is still being shared by Moultonborough. This important work will soon be augmented by at least one volunteer from Moultonborough checking a new "station". For useful fun on the water contact Duke Kline at 253-7633.

The fourth Household Hazardous Waste Cleanup was held on Saturday, July 11, 1990. Meredith's Public Works yard next to the Recycling Center was again the primary site for Centre Harbor participants, although they could have gone to any one of seven sites sponsored by 17 towns in the Lakes Region. Another nearly 2000 gallons of old oil paints, used motor oil, paint thinners, oven cleaners, old pesticides and other household wastes were collected at Meredith, with over 10,000 gallons collected at all seven sites! Your Conservation Commission is proud to have had Centre Harbor play an important role in working with the Lakes Region Planning Commission to bring this vital groundwater protection effort up from four towns using one site in 1987 to 17 towns using seven sites in 1990. The State of New Hampshire Department of Environmental Services, which matches every town's dollar with 25¢ for HHW Cleanups, informed us that our 1990 program holds a state-wide record for inter-town cooperation! The LRPC has 32 municipalities in its jurisdiction, so we've set our next goal at having HHW collections twice a year with full cooperative participation of all 32. Working together makes many things possible.

The 1991 Household Hazardous Waste collection is already scheduled: SATURDAY, JULY 27 from 9 to 12. Be part of it!

Our Centre Harbor Land Conservation program gained more monetary strength in 1990 due to a few properties being subdivided and thus no longer eligible for "Current Use" taxation. If any readers of this have ideas of which lands they would like to see protected by Town ownership or conservation easement, please contact Commissioner Harold Bernt at 253-6951, or Commissioner Robert Keren at 968-3649.

The Conservation Commission continues to serve as local inspector for the New Hampshire Wetlands Board, and vice versa, as needed. Construction or repair of docks, alteration of shorelines, and any dredging or filling of wetlands or lakes requires a permit from the Wetlands Board which must be preceded by an application through the Town Office. Dock permits must be filed with the County Registrar of Deeds in order to be valid. Two applications for Special Exception to our Wetlands District Ordinance were rejected by Centre Harbor's Zoning Board of Adjustment. Both of these went to litigation against the town in 1990, and in both cases the judges (no juries) ruled against the town. One of the judges doesn't know the difference between the composition of a lake and the composition of a wetlands. Do you? The difference is important.

Sue Power resigned from the Commission when she and her family moved to New Hampton. We're grateful for her service and sorry to have her leave.

We're fortunate indeed to have Eloise Coudert agree to join our team, and we welcome her wholeheartedly.

HISTORIC DISTRICT COMMISSION

1990 Annual Report

The Historic District Commission is made up of interested citizens of Centre Harbor, appointed by the Selectmen. The commission is comprised of seven voting members, which includes one of the Selectmen and a member of the Planning Board.

Although the commission is primarily charged with developing and proposing an ordinance and boundary for an historic district, it has many other goals and functions. Among them are: conducting a survey of all the historic properties in town; preserving structures and places of historical and architectural value; starting a tree-planting program to replace some of the large trees that once grew along Plymouth and Main Streets; drafting a pamphlet with a walking tour of the many historically and architecturally significant buildings in the downtown Centre Harbor area; and most importantly, working toward educating the citizens about the importance of preserving the physical, environmental, economic, and cultural characteristics of the community that make it a special place to live.

At the Centre Harbor Town Meeting of March 1990, voters defeated the Historic District Ordinance as proposed by the Centre Harbor Historic District Commission. A subsequent survey showed that while most citizens wanted the downtown Centre Harbor area to stay the way it is, and agreed with the basic concept of an historic district, it also revealed that most opponents felt that the regulations in the ordinance were too restrictive. Since the original goal in developing the standards as proposed was to set up clear and objective rules so that decisions are not based on the personal tastes and preferences of the commissioners reviewing proposals for change, the Commission is faced with the challenge of revising the ordinance to arrive at an acceptable compromise.

Another area of concern to the voters according to the results of the survey is the boundary of the proposed District. While many felt it was too large, others felt certain areas had been unfairly excluded. The clear consensus was that the boundary needs to be reviewed and adjusted.

For the coming year, the Commission plans to continue to gather input from the community to develop an ordinance that will reflect the needs and wishes of the majority of the citizens of Centre Harbor.

It is vital to the economic growth and security of this community that good change, as opposed to harmful change, continue to take place. Outsiders, whether they come as tourists, new businesses, or potential residents, will be attracted to a community that seems to respect itself and to have character. Establishing an historic district is the only way to achieve this goal. An historic district does not require that every structure within that district have historical or architectural significance. Properly administered, an historic district ordinance will permit change that will enhance and preserve the character and ambience of the area; raising property values, and strengthening the local economy.

The Historic District Commission had two new members appointed by the Selectmen this year, including Barbara Lauterbach, who serves as Secretary. The other members of the commission are:

Gladys Bickford
Ingrid Smith

Chuck Burns, Selectman
Ken Sorlien

Don Leavitt
Ron Trexler

On behalf of the members of the Commission, I would like to thank all those citizens who attended our meetings and provided their valuable input and support.

Respectfully submitted, Ronald L. Trexler
Chairman

CENTRE HARBOR POLICE DEPARTMENT
1990 Annual Report

Once again we find ourselves at the end of a year which has been both eventful and rewarding. For the year of 1990 the Centre Harbor Police Department handled a total of 261 C.F.S.(Calls for Service). The C.F.S. are broken down into the following categories:

| | | | |
|--|----|---------------------|---------|
| Thefts | 22 | Criminal Mischief | 23 |
| Accidents | 27 | Miscellaneous Calls | 37 |
| Arrests | 15 | Juvenile Offenses | 7 |
| DWI | 2 | Deaths | 2 |
| Assaults | 9 | Criminal Threats | 7 |
| Motor Vehicle Stops | 73 | Parking Tickets | 46 |
| Centre Harbor Police Total | | | 261 CFS |
| State Police(Troop E)handled 13 Criminal and 8 M/V | | | 21 CFS |
| Belknap County Sheriff Department Criminal Cases | | | 21 CFS |

Grand total for the Town of Centre Harbor 303 CFS

We are all aware of the fact that the poor economic times in 1990 have been steadily increasing. Looking ahead, 1991 appears to be just as bad. We must remember that when economic times get worse crime usually increases.

As your Police Chief, I am very concerned with this fact in regards to adequately protecting your town. It has been reported that there are 996-1065 year round residents in the Town of Centre Harbor . It is believed that this figure triples in the summer. I submit to you that as the number of calls for service rise, the need for more police protection will also rise. This will make it increasingly difficult for one officer to handle all of the calls for service.

I would like to take this opportunity to publicly thank my Special Plice Officers, Richard White, Richard Hanson and Charles George, for a job well done.

I would also like to extend my appreciation and thanks to the NH State Police, Troop E and the Belknap County Sheriff's Department for their assistance during the year 1990.

To the residents of Centre Harbor may the year 1991 be a safe and healthy year.

Respectfully submitted,

Andrew Faller

Chief of Police.

REPORT OF THE KONA FOUNTAIN COMMITTEE

The committee met 13 times in 1990 and much was accomplished toward our goal, as mentioned in the 1989 Town Report. However, we were not able to effect completion. After unavoidable delays winter had set in and the decision had to be made to complete the project in the late spring of 1991. The first three items in our 1989 SETP report have been accomplished, with the final plumbing hookup to come. All the basic requirements are in place.

Generous contributions have continued throughout the year. 4,200 letters of request and contribution acknowledgements were sent. The committee is most grateful for the obvious show of support.

The committee's records have been audited by the Town Auditors. A record of our activities to date can be found with other financial summaries in this Town Report.

Those serving on the Kona Fountain Restoration Committee and their expertise are:

STATE REPRESENTATIVES' REPORT

The 1991 legislative session promises to be one of the most trying in recent memory, as the current economic recession is resulting in a state budget deficit and pressure to increase taxes to make up the red ink. It is clear that difficult decisions must be made about services the state provides and about the way we tax our citizens and businesses.

We are disappointed to report that state education aid is, once again, down from the previous year. Our town now receives zero state foundation aid funds. This lack of state assistance puts increased pressure on property taxes. New Hampshire ranks 50th of the 50 states in state aid to education, a fact we are trying to change.

State aid to municipalities - long considered a "sacred cow" - also is on the chopping block as the state tries to balance its books. Unfortunately, any reduction in financial assistance to towns will result in higher property taxes. We are working to ensure that such state assistance is not reduced. New Hampshire's property taxes already are the highest in the nation per capita, and we will fight to see that the state does not balance its budget on the backs of the property taxpayer or through "back-door" fee increases.

However, we believe the state must provide basic human services, funds to protect our natural resources, and a strong economic development program. With proposals calling for elimination of an immunization program for school children, glutting the tourist promotion budget vital to our region, and the closing of profitable liquor stores, we will scrutinize the state budget carefully and only vote for taxes that are fair. We also will monitor legislation calling for a progressive income tax designed to raise revenue for property tax relief, and welcome your thoughts on the subject.

County taxes also are on the rise. As members of the county delegation, we are pushing for a "bare bones" county budget that provides adequate public safety as well as human services for the elderly and low-income citizens that need it most.

For the first time in history, however, county taxpayers will be paying for the operation of Gunstock Recreation Area. Although final figures are not available at this time, it appears that approximately \$600,000 will be added to the county budget because of the skiing and camping facility's inability to meet its bond payments. This will be reflected in an increased county tax rate in your property tax bill this year.

We continue to be concerned about environmental issues in the wake of Earth Day. Rep. Steven Maviglio has sponsored legislation that calls for a wide range of measures to protect water quality in our lakes, rivers, and streams. This includes increasing the septic setback to 125 ft., requiring minimum lot sizes and building standards, and banning the clearcutting of trees and vegetation along shorelands. In addition, a speed limit for boats and limitations on billboard construction also have been proposed.

Enhanced 911 emergency service for our town also may become a reality in the near future, thanks to legislation filed by Rep. Tom Salatiello. The House already has approved the bill, which calls for a committee to evaluate the costs and logistics, the first step in obtaining E-911 service.

Legislation calling for the opening of a state liquor store in Centre Harbor also has been introduced.

We have introduced a variety of other legislation on subjects ranging from funding Meals-on-Wheels to legislative ethics. We will keep you informed of the progress of these bills through our newsletter (posted in the town offices and mailed to those requesting it) and through area newspapers.

We also hold "office hours" in the town office and meet with the selectmen on a regular basis. We truly appreciate your input on matters before the legislature. Please do not hesitate to contact us to share your views, or if you need assistance with a state or county agency.

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.
Information for the Centre Harbor Budget Committee

I. AGENCY PROGRAMS AND SERVICES:

Lakes Region Family Service Association, Inc. is a social service agency, offering a counseling and a domestic violence program to residents of the Lakes Region. In September, 1989, we began to provide emergency and support services to victims of sexual assault.

A. COUNSELING PROGRAM:

The agency's counseling program includes individual adult, couples, child/adolescent/family counseling services. We also provide psychiatric consultation and evaluation through our consultant, Marcosa Santiago, M.D. Our agency provides counseling services to Center Harbor residents in our office at the Belknap Mill in downtown Laconia, and in our one day per week satellite office in Meredith. Outpatient counseling services are provided according to a sliding fee scale, and we do not have a waiting list. No one is denied services due to inability to pay.

The counseling Program offers a variety of groups and workshops to residents in our area. These currently include the following:

Parenting Workshop: A three part series, entitled Parenting the Adolescent, will be offered, free of charge, in November 1990.

Adult Childred of Alcoholics Program: The program includes educational workshops and therapy groups for adults who are experiencing problems as a result of growing up with an alcoholic parent(s). We also provide Co-Dependency groups.

Children of Divorce: Six week therapeutic groups for children whose parents are divorced. On-going.

B. DOMESTIC VIOLENCE PROGRAM AND SHELTER:

The agency sponsors a comprehensive program of services to violent families. This includes a 24 hour crisis line, court and social service advocacy, support groups, family counseling, and shelter for battered women and their children. The shelter program serves approximately forty-five(45) families per year.

Our staff recruits a twenty-five(25)member vounteer task force to assist us in serving battered women. Volunteers undergo a thirty(30)hour training session and ongoing supervision.

The agency relies heavily on support from area towns to fund the domestic violence shelter. The Town of Center Harbor is not billed when indigent Center Harbor residents stay at the shelter.

In September, 1989, our domestic violence program expanded to include services to sexual assault victims in emergencies and to follow-up services. Our agency has become the only local response of it's kind to both domestic violence and sexual assault cases. We have been receiving nine(9)sexual assault calls per month, including adult and minor victims of assault.

The new sexual assault services are in place and available to the Center Harbor Police Depratment, 24 hours a day, by calling 524-5835.

INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL

In the fall of 1990 our After-School Program expanded to include a second class room at the Lang Street School. This involved dividing the entire group into two age groups for ease in conducting the afternoon activities. During 1990 the Center in its combined programs for children ages two years six months to twelve years, served 159 children from 75 families. The Summer Camp Program was a great success with perfect weather for swimming and tennis lessons and field trips. Vision and hearing screening, dental care and the USDA School Lunch program continued for another year. The economy has taken its toll, however, with an increase shown in Title XX eligible participants. Our number of homes remains at 30 for licensed family day care providers sponsored for USDA reimbursement for meals and snacks.

The Inter-Lakes Day Care Center, Inc., is a private, non-profit, fully licensed, tax-exempt child care program incorporated in October 1971, governed by a volunteer Board of Directors. The Board and Staff are appreciative of the support and donations received from the community. Area residents are cordially welcome to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.
